

Cucina Mista

ROSSO

SEMI-SWEET RED

PRODOTTO IN ITALIA

QUARTA GENERAZIONE

DI ENOLOGI

Speciale Taglio

VINEYARD INFORMATION

The grapes for our Rosso are sourced from the hills of the Veneto region which sits along the Adriatic Sea in northeast Italy. The mild climate at the eastern part of the region is perfectly suited for the Raboso and Merlot grapes used in this wine.

WINEMAKING

Once harvested, the grapes are cold fermented Charmat-style in pressurized stainless steel tanks which allow for natural carbonation, and preserve the natural fruit flavors and ensures the perfect balance of sweetness and acidity.

TASTING NOTES

A rich, dark red color and aromas of mixed berries fill the senses. On the palate, there is a light and refreshing mouthfeel with flavors of strawberries, cranberries, and cherries that balance perfectly with the sweetness and light carbonation. Serve chilled.
